Technical drawing of a mechanical part. The drawing includes a top view, a side view, and a detail view of a surface texture.

Top View: A circle with a diameter dimension of $\varnothing 105$.

Side View: A rectangle with a height dimension of 80. The top surface is indicated by a surface texture symbol (a circle with a checkmark and the number 106).

Detail View: A circular cross-section of the top surface, showing a surface texture symbol (a circle with a checkmark and the number 106) and a diameter dimension of $\varnothing 105$.
