

VITA

wall

EN Luminaire housing, mounting channel and front cover from extruded aluminium profile, angular version; extremely slim luminaire housing (only 25 mm), for direct/indirect radiation characteristic; no visible screws; surface anodised; suitable for wall mounting; lighting modules with specially computed, asymmetrical high gloss reflectors, linear prismatic covers incl. foil with different light distributions for direct or indirect light component for optimised light control and homogeneous illumination; lighting modules in aluminium, powder coated; CRI ≥ 90 or XPECTRUM; incl. 2 converters for separate control of the direct/indirect light component; energy-efficient LEDs with very good colour rendering

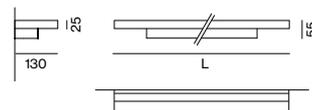

FR Corps de luminaire, canal de montage et cache avant en profil extrudé en aluminium, version à bords en arête ; corps de luminaire extrêmement mince (seulement 25 mm), pour une caractéristique de diffusion directe/indirecte ; aucune vis visible ; surface anodisé ; convient à un montage mural ; inserts lumineux avec réflecteurs haute brillance asymétriques spécialement calculés, caches prismatiques linéaires avec film à répartition lumineuse différente de la lumière directe et indirecte pour un contrôle optimisé de la lumière et un éclairage homogène ; inserts lumineux en aluminium à revêtement par poudre ; CRI ≥ 90 ou XPECTRUM ; 2 convertisseurs inclus pour un contrôle séparé de la partie directe/indirecte de la lumière ; LED économes en énergie à restitution de couleur élevée

Quickinfo

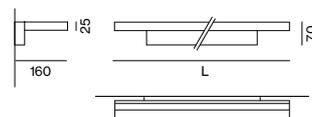

3000 K, 4000 K
CRI ≥ 90 , CRI ≥ 97 XPECTRUM
up to 121 lm/W
L80/85 @ 50 000 h
DALI-2
linear prismatic
